

A STYLE OF HIS OWN!

**Tyzonn comes from the planet Mercury.
Mercurian fashions are very different to ours!
Can you remember what his clothes look like?
Draw a detailed picture of Tyzonn in the space below.**

If you've forgotten what he looks like, pause your DVD at a suitable point so you can look at him very carefully. Put all the detail you see into your drawing. Then, write all the key features in the spaces on the left and draw a line pointing to them on your picture.

Seven horizontal, rounded rectangular boxes for writing, colored from top to bottom: yellow, orange, light blue, yellow, orange, light blue, light blue.
