

## KEEP HERSHEL HAPPY!

Hershel, the easily offended scorpion rock, is the same as all of us: he doesn't like to be insulted. The sting in his tail turns anything into a raging, evil monster, so you really don't want to hurt his feelings.

Remember the little tree who got thrown off the bus? He took out his anger on Hershel and what happened? He was turned into a giant tree monster!

Think about Master Yo's lesson: a rock-like exterior does not hide the heart within. Then look at the words below and rewrite them in the spaces provided. Put the words Hershel wouldn't like to hear on the left of the tree monster and put the words he likes on the right.

If you get stuck, ask an adult to help you with the meaning of these words. Can you think of any other words for each list? Can you use some of them to write a set of instructions for anyone, like the little tree, who meets Hershel!
