ONE SWEATY YETI!

Poor old Norg the yeti was so fed up with Flurious being horrid to him that he ran off to live with Moltor.

Pretend you are Norg and write a postcard to Flurious. Tell him how you're getting on at Moltor's cave. Can you describe the heat?

When you've finished writing your message, think about where Flurious lives and create an imaginary address for him.

Below are some key words that might help you.
