

# MR. MAGORIUM'S WONDER EMPORIUM

## TEACHER NOTES

You are now ready to download and use all your Mr Magorium's Wonder Emporium activity sheets.

The activities have been designed by teachers for you to use in class and to help you through this hectic time of year.

They are fun, easy to do and require little or no preparation. Some of the activities the children will enjoy doing on their own and some can be more fun done in pairs - it's up to you.

The children can even take the activity sheets home - especially the magic tricks to practice on their family!

The activities have been grouped in to Maths, Literacy, Creative and Magic so you can easily access the activities that you need.

You'll also find an evaluation form and it would be great if you could complete it and return to us as soon as possible. Your feedback is key for the development of future resources.

Thanks.

Have Fun!

ps. Don't forget to send the competition leaflets home with your children so they can enter the 'Invent a Toy' competition to win film equipment for the school.
