

HOW TO CROSS THE ROAD SAFELY

Hi there, can you help the children in Big Town learn the Green Cross Code? Create a storyboard to help them be safe on the roads and follow the Green Cross Code correctly. I would like you to draw a picture for the three key words **Stop, Look, Listen** and write an instruction underneath. Thank you for your help.

Stop

Look

Listen

Hello Parents, Brum would like you help your child learn how to be safe on the roads by taking photographs of them putting the Green Cross Code into practise. These photographs can then be brought into school and shared with your child's class. Please use the following website to learn the Green Cross Code with the dancing policeman. www.totallittlelearners.co.uk/popup_dancingPoliceman/index.html Once you have finished have a go at the crossing the road game: www.totallittlelearners.co.uk/popup_crossingsChallenge/index.html
